Applications for the 2025 Champion Provider Fellowship cohort will open on Tuesday, October 1st! The Champion Provider Fellowship team will host a Q&A webinar on August 15, 2024, to discuss the recruitment and onboarding process. The Champion Provider Fellowship harnesses the passion of healthcare providers to improve the health of their communities beyond the clinic setting. The California Department of Public Health and the University of California, San Francisco launched the program in 2014 to empower, train, and support healthcare providers to use their expertise and respected voices to improve the health of communities through local policy, systems, and environmental changes. The webinar will cover the following:

- LHD benefits and expectations of participation in the Champion Provider Fellowship
- [2025 application process](#) and important deadlines
- Champion Provider Fellow [success stories](#)
