

REFER A YOUTH TO OUR RESEARCH AND EARN \$\$\$\$\$

How can they participate? Participation is easy! Parents/Guardians **fill out consent and authorization forms** [see below] for their youth (\$25 for each youth). Then, parent and youth **participate in our optional surveys if they want (this is for an additional \$25 each)**.

Benefits (Up to \$75 for every 1 Youth and their Parent):

\$25: for filling out consent and authorization forms to participate

\$25 for 3 youth surveys (*Optional*)

\$25 for 2 parents/guardians surveys (*Optional*)

How: Everything will be done **online**. We will text or email them the links, then talk with them over the phone to complete the forms and payment card (it's like a gift card) will be mailed to their address from University of Kansas! When you refer people, we will check to see if they qualify and we will text/email them the consent forms to sign up if they are eligible. **See our website:** <https://wethryve.ctb.ku.edu/>

Where to begin? How do you refer? Who are we looking for?

Step 1: **Click on this link ==> <https://wethryve.works/Ref>** to refer any **MALE Black/African-African youths in a KCKPS school who is a RISING 10th-12th grader**. We will then follow-up with them to recruit them if they are interested. You can refer yourself if you are not a ThrYve youth.

Current ThrYve youths/parents will receive extra \$\$\$ if someone they referred signs up for this research study. This research study only involves consent forms to participate and optional surveys. That is all the new youths have to dono

Email Us thryve@ku.edu

What is this Project? We are recruiting **Black/African-American male students in RISING grades 10-12 in a district 500 school (KCKPS)** to gather information about things that affect them in their schools - like attitudes towards school, risky behavior, and how the students feel about their community. This study helps us collect information to better understand the overall needs of our youth and communities of **youth going into grades 10th and 12th grades in fall 2020 semester**.

Who are we? [ThrYve](#) is a youth initiative from the University of Kansas Center for Community Health and Development (CCHD).

Who is eligible? Black/African-American boys are **rising 10th and 12th graders in any high school in KCKPS**.
