

ThrYve Informational Overview

Empowered Youth Thriving and Prospering in a Safe Community

With the growing need to provide a safe and supportive community for our youth, communities across our nation, including in Kansas City, Kansas are standing up to do something. Whether you are a parent, youth, member of an organization, school, or business, you play a vital role in helping to prevent youth violence by providing a safe and supportive place for our youth to grow, live, and thrive. ThrYve provides a variety of opportunities & coordinated supports for our youth and families so that I ThrYve, You ThrYve, & We ThrYve!
